

Hidden Truths of the Cruise Industry Unveiled

Thursday, May 19th, 2022 - *The Untold Tales of a Sailor at Sea*

The Untold Tales of a Sailor at Sea is a surprising revelation of the cruise industry that provides an eye-opening perspective into the daily operations and lives of seafarers on passengers' ships. This ultimate read is also an inspiration for every artist in the entertainment industry as it illustrates the tenacity of one who strives with resilience and endurance to overcome obstacles to reach and realize dreams. Author L.C.Tang invites you behind the crew doors and spotlights scenes within the cruise industry.

Follow along with this essential cruise companion as it tells of the hidden truths of the cruise industry while providing crewmembers a voice to be finally heard. If one enjoyed the movie **"The Titanic"**, then this thrilling book of adventure filled with a plethora of tales intertwined with suspense, drama, romance, and unsuspecting crime will surely put you on the edge of your seat.

During one interview, Author L.C. Tang states *"This book was written to satiate the appetite of travel enthusiasts, artists, cruise passengers, crewmembers, and those affiliated and interested in the maritime industry."*
